Please be aware of the following State Law:

The open burning of any Construction and Demolition (C&D) waste is prohibited, even if the burning is to be conducted on the person's own property. A person may NOT take C&D waste to another location (such as a household) to be burned. C&D waste should be reused, recycled or disposed of in a landfill that accepts C&D waste.

It is also prohibited to bury such materials on a property. Materials must be disposed of in a licensed landfill qualified to handle such waste.
